PREMISE: ERASMUS+ PROGRAMME 2021-2027

Mobilities for study 2021/2022 will be regulated under the new 7-year Erasmus programme (2021/2027), which operational details are not known yet.

Thus, activities and grants provided in this call are subordinated to the finalization of the programme guidelines by the European Commission as well as the signing of the related Erasmus 2021/2022 financial agreement between the National Erasmus Agency and Sapienza University of Rome.

Consequently, in case of discrepancies with the regulations of this call, regulations of the new Erasmus Programme 2021-27 will prevail.

Guidelines of the new Erasmus Programme might provide mobilities different in duration and typology from the previous programme.

ART. 1 GENERAL INFORMATION

ART. 1.1 OBJECTIVES

The Erasmus+ programme for study allows university students to increase educational opportunities aimed at acquiring the necessary skills to favour their transition to the labour market. To this purpose Erasmus+ provides students with the opportunity of studying abroad up to a maximum total of 12 months per each cycle of study and 24 months for single -cycle study programmes, regardless of the number of mobility periods (i.e.: 2 periods of 6 months or 3 periods of 4 months).

Students selected for a mobility period obtain the “Erasmus Student” status that comes with rights and duties, as established by the [Erasmus Student Charter](#).

Erasmus students receive a grant and have the right to attend courses and use the available structures at the hosting institution without further tuition fees (in some cases small contributions might be requested as for local students). All activities conducted abroad (with a positive outcome) will be fully recognized in the student’s career as long as they were previously approved by the Learning Agreement/Change Form. Full recognition of activities carried out abroad is one of the commitments undertaken by Sapienza University of Rome with the approval of the Erasmus Policy Statement (EPS) and the "[Regulation for Student Mobility and Recognition of Study and Training Periods Abroad](#)".

ART.1.2 PARTICIPATING COUNTRIES

For Academic Year 2021-2022, students may participate in the Erasmus+ Programme for Study at universities in European Union member states and other participating countries (Programme Countries).

The full list of possible destination countries is the following:

- **Member States of the European Union:** Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Ireland, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Poland, Portugal, Romania, Slovakia, Slovenia, Spain and Sweden.
- **Non-EU Programme Countries:** Iceland, Liechtenstein, Norway, Republic of North Macedonia, Serbia, Turkey.

Following the Brexit deal, the British government decided to break the participation of the United Kingdom in the Erasmus+ programme.

ART. 1.3 MOBILITY TOWARDS CIVIS ALLIANCE UNIVERSITIES

Sapienza is a partner of the “CIVIS - A European Civic University” Alliance financed by the European Union. The alliance has been active since October 1, 2019 and includes the following universities:

ART. 1.4 MOBILITY TO SWITZERLAND

Switzerland does not take part in the Erasmus+ Programme under the same terms as Programme and Partner Countries; therefore, it does not receive any EU funding either for incoming or outgoing mobilities. In order to guarantee existing mobility and cooperation, the Swiss Federal Council has developed a transitional solution, the so-called Swiss European Mobility Programme (SEMP). Under this programme, Swiss Universities finance the mobility of all incoming and outgoing students following the signature of specific agreements (see Art. 3. "GRANTS AND FINANCIAL BENEFITS").

Students applying to Swiss universities must satisfy all the requirements described in this call (see Art. 2 "GENERAL APPLICATION REQUISITES AND ADMISSIBILITY").

ART. 1.5 DOUBLE DEGREE MOBILITY

Students selected for a DOUBLE DEGREE PROGRAMME may apply for this call only for the seats reserved for this type of programme (see Art. 4 "AVAILABLE DESTINATIONS AND PLACES").

University of Belgrade: Serbia

ART. 2 GENERAL REQUISITES FOR APPLICATION AND ADMISSIBILITY

ART. 2.1 GENERAL ADMISSION REQUIREMENTS

1. In order to apply to this call students must be enrolled (including part-time students) at Sapienza for **Academic Year 2020/21** in a Bachelor's, Master's, Single-cycle or PhD degree programme, or a Specialisation School.

2. In case of Specialisation Programmes, the payment of the Erasmus grant is subject to the compatibility of the specialisation contract with Erasmus grants. Incompatibility still allows participation in the programme, but the student will not receive any grant for the mobility period.

3. Students must have **adequate language skills** (see Art. 2.4 "LANGUAGE REQUIREMENTS").

4. Students must **complete their enrolment at Sapienza University for Academic Year 2021/2022 by the established deadlines** (further information: <https://www.uniroma1.it/it/pagina-strutturale/studenti> "University Tuition"), except for graduating students, under Art. 13 of the "Student Regulations".

5. Students enrolled in the third (or subsequent) year of a Bachelor's Programme (First cycle) in Academic Year 2020/2021, and who expect to graduate by the end of the academic year, may apply for a mobility period for the first year of a Master's Degree (Second cycle). However, the mobility period **must take place in the second semester** of Academic Year 2021/22. If such students apply for mobility periods longer than a semester, the period will be automatically reduced. Before leaving, students selected under these conditions must be enrolled in a Master's Programme for Academic Year 2021/2022. Moreover, these students may not, under any circumstance, enjoy their mobility period during the first semester.

6. **Graduating students on an Erasmus mobility period may not graduate before the end of their period of study abroad and before the recognition of the academic activities conducted abroad by the Academic Coordinator for International Mobility (RAM)**, by the online recognition procedure to be started through their Erasmus personal page.

7. **Students enrolled in PhD Programmes** must end their mobility period before the official end of the Doctoral Programme and obtain from the hosting university a Declaration concerning the activity carried out.

8. **Specialisation students** must be **authorised** by the Director of their Specialisation School to apply for a mobility period abroad as part of this call and obtain from the hosting university a Declaration concerning the activity carried out.

ART. 2.2 INCOMPATIBILITY

Students applying to this call may receive one or more Erasmus+ mobility grants (Bachelor's, Master's, PhDs) provided **the total period does not exceed 12 months per each cycle**. For Single-cycle degrees **the maximum period is 24 months**.

This does not apply to mobility periods towards Switzerland which are regulated by the Swiss-European Mobility Programme (SEMP).

Prior mobility periods that have already been funded during the same study cycle under: ICM (International Credit Mobility), Lifelong Learning Programme, Erasmus+, Erasmus Mundus Action 1 and Erasmus Mundus Action 2 **are included in the calculation of the total number of months spent abroad**.

ART. 2.3 ACADEMIC REQUIREMENTS

1. Students in possession of the following academic requirements may apply to the call for applications of the Faculty of ARCHITECTURE:

- no minimum requirement in terms of career grade point average
- number of CFUs not less than 1/5 of those acquired by the candidates up to the date of expiry of the competition (i.e. **a minimum of 12 CFUs for each year of enrolment**)

2. All credits acquired after the application submission, obtained exclusively through exams and **officially registered on Infostud**, will be accepted for the selection process. Students may self-certify exams they have taken, but that have not yet been registered on Infostud, on their application.

Please note: as per Art. 76 - D.P.R. 28.12.2000 N. 445 "... **whoever provides false declarations, false acts or uses them for the purposes of the present call is passable for punishment as established by legislation and all special bills in this matter.**"

ART. 2.4 LANGUAGE REQUIREMENTS

Before completing the on-line application form, each candidate must take the language test at the University Language Centre (Centro Linguistico di Ateneo – CLA). **Students who satisfy the requisites described at Art. 2.4.3 on “LANGUAGE TEST EXEMPTIONS” do not have to take the language test.** The test will verify the language level of each student.

PLEASE NOTE: Students who have already taken the language test for application to the Erasmus+ call 2020-21, but do not intend to benefit from exemption, may choose to take the test again. In such a case, the new score obtained (lower, higher or failed test for the language test which is repeated) will replace the previous result.

Students applying to the Call must have a **minimum A2 language level** Common European Framework of Reference (CEFR) recognised by the European Council <https://www.coe.int/en/web/common-european-framework-reference-languages>

PLEASE NOTE: the CLA test does not exempt students from respecting the language requirements of the host university, which must be respected to enjoy the selected mobility period.

The result of the test, in addition to being a requirement for admission to the competition, could be an element of assessment for ranking purposes.

ART. 2.4.1 LANGUAGE TESTS

The tests – **only for FRENCH, ENGLISH, PORTUGUESE, SPANISH, GERMAN** – will be held online at CLA and students must report for the test with a valid form of ID (identity card, passport or driving license) and registration for one of the provided options by selecting date and shift **available in the application form**, according to the following schedule:

Test registration is valid only if you receive a confirmation e-mail on your university account.

Students can take tests for a maximum of two languages based on the selected destinations, **mandatorily** on the same day and shift/time. Only one test can be taken for each language.

For destinations that require two or more alternative languages, you can be tested for one language only.

Tests are computer-delivered and cloze/multiple choice (no speaking, no listening). The level starts at A2 and progresses step by step, based on your score, up to level C1. Maximum amount of time permitted is 60 minutes (if you complete all four levels). No online test simulations are available.

In order to take the test, each student shall have a personal computer equipped with webcam, microphone, operating system with browser and Zoom software installed, available at the following link: <https://zoom.us/client/latest/ZoomInstaller.exe>.

PLEASE NOTE: there will be no further available dates.

As scheduled, there are 3000 places available. There will be a maximum of 250 tests per day (50 students per shift) and each shift may be booked as long as places are available.

We recommend you to book your tests as soon as possible to have the widest possible choice.

Results will be automatically registered on your application within 5 working days from the test. **The certificate will be provided only to students who are assignees of an Erasmus mobility.** You can download the certificate directly from your Erasmus personal page.

ART. 2.4.2 INFORMATION FOR DISABLED STUDENTS AND SERVICES FOR STUDENTS WITH LEARNING DISORDERS.

Students with disabilities (as per Art. 3 of Bill N. 104/1992) and/or disabilities equal or greater to 66% are exempt from the computer-delivered language test. They must indicate this on the language test booking form. The CLA will test student language knowledge on the basis of suitable procedures.

Students with learning disorders (as per Bill N. 170/2010 and DM N. 5669/2011) who require specific aid to complete the test, must indicate this on their language test booking form. Candidates with learning disorders will be given 30% additional time.

Particular situations will be examined on the basis of the provided certifications.

All requests must be submitted by the language test registration deadline (see Art.2.4.1. "LANGUAGE TESTS") and will be verified by the Office for Students with Disabilities and Specific Learning Difficulties, which may request official certifications from the National Health Service or accredited specialists and facilities.

Further information is available at <https://www.uniroma1.it/it/pagina/disabilita-e-dsa> or writing to supportidisabilidsa@uniroma1.it.

Learning disorder certification must refer to official reading/writing/calculation levels. Diagnosis must be updated after 3 years, if it was issued to a minor.

PLEASE NOTE: students with disabilities or learning disorders, who are resident abroad and intend to enjoy the measures described above, must submit certifications issued in their country of residence together with a sworn translation into Italian or English.

ART. 2.4.3 EXEMPTION FROM LANGUAGE TESTS

Students with the following requisites are exempted from the CLA language test, but must still observe minimum requisites required by the host university:

PLEASE NOTE: If the student intends to apply for a host university that requires a higher level than that indicated by the certificate, the student **will have to take the test**.

Grants will be determined under the new regulation of the Erasmus programme 2021/22, subject to the approval of the agreement with the Indire National Erasmus+ Agency and Sapienza Board of Governors.

ART. 3.1 GENERAL ASPECTS

1. Grants for mobility are assigned exclusively for academic activities abroad (see Art. 5 “ACADEMIC ACTIVITIES ABROAD”). The mobility period must not exceed 12 months and be completed between **01/06/2021** and **30/09/2022** (Erasmus Year).
2. In order to receive mobility grants, selected students must sign their financial contracts **before their departure** and follow all the directions provided upon acceptance of the mobility period.

ART. 3.2. EU GRANTS

Funding for students on Erasmus+ mobility for studies must be considered as a contribution to the expenses required abroad.

EU grants will be determined under the regulations of the new Erasmus programme (2021/2027) (see Art. 3) and related information will be available at the link: <https://www.uniroma1.it/it/pagina/esoneri-e-contributi-monetari-gli-studenti-partenza>

Erasmus EU grants are incompatible with grants from other programmes/actions funded by the European Union.

In the case that EU funds are depleted, and/or students receive other university or EU grants, or if students do not require funding, the students may receive an “Erasmus-Zero-EU-Grant” status that will allow them to enjoy the benefits of the mobility period, but without receiving an EU grant.

In case of mobility **only for “thesis research”**, CFUs must be **no less than 3**. These limits are not valid for **PhDs and Specialisation students**.

Candidates who intend to request MUR integrative funds must request the ISEEU 2021 Declaration to CAFs and authorize its transfer to the INFOSTUD platform. The data must be available on Infostud by October 30, 2021, to be managed for the purposes of the present call.

Candidates who cannot request the ISEEU 2021 Declaration (foreign students who are not resident in Italy, foreign students who are resident in Italy but are not independent and have family residing abroad, Italian students residing abroad who are not on the AIRE Register of Italians Residing Abroad) **must request an ISEE-U parificato 2021 Declaration to a CAF and submit it to the Student Affairs Office of their Faculty for registration by October 30, 2021.**

MOBILITY LEVELS

- 1 = Undergraduate (Bachelor's);
2 = Postgraduate (Master's, Single-cycle Degree);
3 = Doctoral (Specialisation or PhD Programmes)

PLEASE NOTE: Available places and destinations are subject to modifications if the partner universities or national and European organisations regulating the programme introduce variations. Before applying, please independently verify the feasibility of studying at your preferred destinations on the websites of the individual universities.

4. **The mobility period** indicated in this call is based on inter-institutional agreements. These periods may vary only for proven didactic reasons, in case the student:

- Begins the mobility period during the second semester,
- Has already enjoyed periods of mobility during the same cycle of study (see Art. 2.2.). In this case, the maximum mobility period will be reduced to satisfy the upper limit of 12 months per cycle of studies and 24 months for single-cycle degree programmes, in agreement with the host university.

5. **It will not be possible to guarantee the beginning of a mobility period in the 1st semester for destinations that have a deadline (for the submission of student documents) that is not compatible with the schedule of this call (Art. 14 “END OF PROCEDURE”).**

When choosing mobility, please pay attention to the language level required for attending the host university. 2. Two rankings will be produced: **one for CIVIS Universities and one for other Erasmus+ destinations.**

The selection process will be based on your **academic transcript** or your **academic transcript and an interview**. Evaluation criteria will be finalized by the Commission during its first meeting and will be defined coherently with the evaluation requirements.

EVALUATION CRITERIA

Academic merit: weighted average rounded to two decimals.

In case of students with the same average, will be selected the ones who have never had the mobility experience.

Linguistic Knowledge:

The following points will be awarded for each certified language:

A2 = 1 point

B1 = 2 points

B2 = 3 points

C1-C2 = 4 points

English, French, German, Spanish, Portuguese mother-tongue = 4 points

Enrolled in university courses in English = 3 points

Study plans:

It is mandatory to fill in at least 3 study plans on the 4 locations to choose from

3 study plans for the 4 selected locations = 6 points

4 study plans for the 4 selected locations = 8 points

Those who have not completed the minimum of 3 required study plans will have a score of 0.

For those applications that have the SAME LOCATION but with DIFFERENT PROMOTER, a study plan will be calculated by agreement (a study plan must be made for each agreement).

PLEASE NOTE: the following do not concur to your GPA calculation:

- Exams taken abroad during Erasmus periods that have not yet been officialised as they refer to exams still in the process of being validated;

- Extracurricular exams (former Art. 6 - Regio Decreto N. 1269/38) as they do not count for CFUs necessary for degree and are not used to calculate GPA;
- Integrated exams and elective educational activities (ADE) if the credits related to all the modules of each integrated exam have not been successfully completed;
- Exams for single courses that have not been recognised as part of the degree programme (Bachelor's, Master's, Single Cycle) for which the student is currently enrolled;
- Exams cancelled due to lack of prerequisites;
- Exams declared to have been taken, but which were only booked and not taken, or not even booked.

In assigning mobility periods, **in case of identical scores**, priority will be given to students who have not had a prior Erasmus experience for study and placement/traineeship.

3. The Commission will produce a ranking of candidates based on the above-mentioned criteria and publish the **provisional ranking** at:

https://www.architettura.uniroma1.it/bandi_categoria/all
<https://www.architettura.uniroma1.it/trasparenza>
<https://www.uniroma1.it/it/pagina/erasmus-studenti-sapienza-studio>

The ranking will be considered final when, 10 natural and consecutive days after its publication, no reviews will have been presented to **the Erasmus Office of Faculty of Architecture - Via Emanuele Gianturco,2.**

The **final ranking** will be published at the link:

https://www.architettura.uniroma1.it/bandi_categoria/all
<https://www.architettura.uniroma1.it/trasparenza>
<https://www.uniroma1.it/it/pagina/erasmus-studenti-sapienza-studio>

ART. 7.2 ACCEPTANCE OF MOBILITY PERIOD

1. **Selected students must accept their assigned mobility destination within 7 days from the date of publication of the final ranking or assignment**
2. **Candidates who do not respect this deadline will be excluded.**
3. The final assignment of an Erasmus+ mobility requires:

- Submission of necessary documentation:
- Formalization and approval of the Learning Agreement by the Academic Coordinator for International Mobility (RAM) on the personal page;
- Finalization of the Financial Agreement between the student and Sapienza, following the directions provided when the mobility is assigned.

4. Presence in the final ranking does not automatically mean the student will enjoy the mobility period, as this depends on the background check conducted by the Faculty and host university on requirements and pre-requisites.

PLEASE NOTE: **the student's mobility is subject to acceptance by the foreign Institution** which may require further certificates or reject the application on the basis of regulations that are not specified in the inter-institutional agreement signed with the partner University.

ART. 7.3 REFUSAL OF THE MOBILITY AND REPLACEMENT

The acceptance of the mobility is a serious commitment by the candidate. Thus, selected candidates are expected to limit refusals, after acceptance or at the beginning of the mobility period, on account of serious and proven matters of force majeure, which must be communicated in writing and duly justified to allow replacement by the first reserve candidate in due time.

In case of renouncement, the Faculty Erasmus Office will proceed to assign the mobility to the next students in the ranking list, who may then be contacted by email and asked to reply within 5 working days, otherwise the mobility will be revoked.

ART. 8 LEARNING AGREEMENT

All students who have accepted their assigned destination must complete an official Learning Agreement (LA). The LA is a document that is prepared before departure and defines the academic activities that will be completed abroad. The LA, which guarantees the recognition of credits obtained for passed exams and thesis research work conducted abroad, must be:

- **Completed on-line by students on their personal page:** <https://relint.uniroma1.it/pp2013/login.aspx>
- **Approved on-line by the Academic Coordinator for International Mobility** (RAM – The full list is available at the link: <https://www.uniroma1.it/it/pagina/coordinatori-e-responsabili-accademici-mobilita-internazionale-0>)
- **Signed by the student**
- **Approved (stamp and signature) by the partner university**
- **The scanned LA, completed with signature and stamp for approval, must be uploaded to the personal page before departure to the hosting university.**

The completion and approval of the Learning Agreement are mandatory and binding to enjoy your mobility period. Failure to do so will cause your exclusion.

The L.A. must include exams or didactic activities that will ensure you earn **at least 6 CFUs (or at least 3 CFUs for thesis research mobility)**. Students who do not earn **at least 6 CFUs (or at least 3 CFUs for thesis research mobility)** will be forced to return their mobility MUR funding. This limit does not concern **PhDs and Specialisation students**.
